

# Altona Community Memorial Health Centre Emergency Department

## August 2021 Data Update

	April 2021 (service changes implemented)	May 2021	Jun 2021	Jul 2021	Aug 2021	3 month average (Jun - Aug)
<b>Total Visits</b>	345	400	411	483	517	470.3
<b>Average Daily Visits</b>	11.50	12.90	13.70	15.58	16.68	15.34

### By the Numbers

- There has been a continued increase in ED visits (517) and average daily visits (16.68).
- Three month averages have been increasing: from 431.3 in the previous 3-month time period (May-Jul) to 470.3 for June to August. The three month average daily visits increased from 14.07 to 15.34.
- The Emergency Response Services Station data reflect the Altona ERS Station catchment area and not only the community of Altona (map below). The data are not a reflection of the sites to which patients are transported.

Altona Emergency Response Services Station Catchment 2020-2021	<b>622</b> total calls	<b>33.02 minutes</b> The maximum that most patients (90%) waited between 911 phone call to ground ambulance arriving at the incident scene (for all priorities).
