

REGIONAL ORIENTATION – VIRTUAL

Congratulations on your recent hire and welcome to
Southern Health-Santé Sud!

Who Is It For?

All newly hired staff, or rehired staff who have been away longer than 3 months, are to complete Regional Orientation.

What Is It?

Regional Orientation is a required course for your employment with SH-SS, and is now offered as a virtual option that can be done outside of the classroom!

Where Can I Access It?

Everything you need to take Virtual Regional Orientation is available on the HPS, and can be accessed at any time from most devices.

When Should I Do It?

This course should be completed within the first two weeks of your employment. You can take this course anytime during this period at home or at work!

Scan or Click to Begin!

Before you begin, you will need:

- A distraction-free space
- A stable internet connection
- Four hours to complete the course
- A personal device (computer, laptop, tablet or smartphone)
- Speakers or headphones for audio sections

Instructions:

1. Use the QR Code at the bottom of the page to go to the course page on Health Providers' Site (HPS) to begin.
2. Click the links on the page to open and use the **Participant Package and the Hand-In Package** as you work through the course.
3. Follow the instructions on the page to **complete Virtual Regional Orientation**. There will be a **mandatory knowledge check quiz** to complete at the end.
4. **Fill out and sign the Hand-In Package** that is attached on the HPS page. **This package will need to be given to your site educator/designate** in order for you to get paid for taking the course.
