This profile is where you will fill out information for the employer to see on your application. You have the option to upload a **resume** and **cover letter**. Review and update your personal information and have the option to view the positions you've applied for. Please complete all required fields, marked with an Asterix (*) within this section.

The screenshot shows the 'Candidate Profile' page on the Health Careers Manitoba website. At the top, there is a dark blue header with the logo 'HEALTH CAREERS MANITOBA' and navigation links: Home, About Us, Job Categories, and More Health Careers. Below the header, the page title 'Candidate Profile' is displayed, along with links for Sign Out, Options, and English. The main content area contains a welcome message, a list of benefits of creating a profile, and a note for current employees. At the bottom, there is a vertical menu with five items: My Documents, Profile Information, Search Options and Privacy, Jobs Applied, and Saved Applications. A mouse cursor is visible over the 'Jobs Applied' item. To the right of the menu, there are expand/collapse controls.

Candidate Profile

Whether you're interested in a career providing frontline health care or behind-the-scenes support, there are many exciting opportunities in our health region.

We encourage you to create a profile for yourself. Registering your profile allows you to:

- apply for jobs,
- check the status of your applications,
- request alerts that will notify you of job postings that may interest you, and
- update your information so it stays current

Let's get started.

NOTE: If you are currently employed within the Winnipeg Health Region, please use the Internal Career Website. If you are prompted to log-in use your workplace network User ID and password.
